

# My Song of Songs

Jay Pittard, Tosha and Joseph Zwanziger

## Verse 1

A F#m C#m E  
What could I say to unveil my heart and unlock the emotion inside  
A F#m C#m E  
What could I sing to give words to the melodies ringing in my mind  
Bm Bm/A E/G#  
I've tried to demonstrate just how Your majesty overtakes my life  
A F#m C#m E  
Everything I have known, I have heard, fails to describe how great You are

## Chorus

A F#m C#m E  
(So) Here I am, I'm Yours  
A F#m C#m E  
Here I am, I'm Yours  
A F#m C#m E  
In my entirety, thankfully, desperately, now forevermore  
A F#m C#m E  
Here I am, I'm Yours

## Verse 2

A F#m C#m E  
My lovesick heart could not ever survive without gazing at Your face  
A F#m C#m E  
How Your heart burns for me – constant, eternally – causes my heart to race  
Bm Bm/A E/G#  
There are no words to pen, words to share to describe when I catch Your eye  
A F#m C#m E  
There's nothing left to do, I'm so in love with You, all that's left to say is... (chorus)

## Instrumental

Bm A F#m E

**Verse 3**

A F#m C#m E  
Jealously, lavishly, experientially – You pour Your love on me  
A F#m C#m E  
Unreserved, unrestrained my heart cannot contain how You love on me  
Bm Bm/A E/G#  
You whisper tenderly just how You feel for me – my heart melts inside  
A F#m C#m E A.....  
Forever we will be intimate – You and me – You're the love of my life
