

My Salvation

Joseph Zwanziger

Verse 1

 G D/F# G
When the road ahead gets narrow
 G D/F# A
And the climb ahead gets steep
 G D/F# G
When the darkness clouds the future
G D/F# A
I will sing
 G D/F# G
When the waves rise high above me
 G D/F# A
And the boat I'm in gets weak
 G D/F# G
I will lift my eyes to heaven
G D/F# A
I will sing

Chorus

G
You are my salvation
A
I am lost without You *(repeat)* *(End: land on 1)*

Verse 2

When I walk along still waters
Lying down in meadows green
I will never lose perspective
I will sing
When the path is clear before me
And I'm firmly on my way
I will lift my hands to heaven
I will sing *(chorus)*

Verse 3

All my days, I know You're with me
For You hold me in Your hand *(chorus)*
