Drift Away

Tosha & Joseph Zwanziger and Jay Pittard

Verse 1

C
The hallway is narrow and long
Em
And the pictures on the walls make my mind wander
C Em
Make the peace lift away
C
How many times have I tried to walk alone
Em
Trying to find my own way
C Em C Em
Down the path that only God knows; only He knows the way

Chorus

G D/F# Em
And so why do I fall away
D C
Oh, why do I find my own way
G/B C D
For the peace that surpasses all my understanding
G
Is a prayer away
D/F# Em D C
When I am weak, He is strong and He never fades away
G/B C Em
So why do I drift away? It's the question of the day

Verse 2

C Em
You said I was forgiven on the cross, but when I stumble on my mistakes,
C Em
Once again, I feel lost
C Em C
So I drink the cup again and remember You are more than enough
Em D/F#
You were always more than enough
